EBPSA MEMBERSHIP APPLICATION

Thank you for your interest in the East Bay Pet Sitters Association (EBPSA). At this time EBPSA is accepting applicants that are referred for membership by a current member of EBPSA. If you do not know a specific member at this time, please do not hesitate to introduce yourself by contacting a Board member or opening up a conversation by phone or e-mail with a member listed on our website.

Prior to filling out the EBPSA application, please read and review the Membership Agreement and Code of Conduct. As an owner of your business, or if you are just interested in starting a business in the pet sitting industry, further completion of the application is acknowledgement that you agree to the Membership Agreement and Code of Conduct. A new applicant's submission to the Association does not automatically indicate membership approval by EBPSA. Please review the Application Process.
